To Whom It May Concern:

It is without reservation that I write a letter of recommendation for Leone & Keeble, Inc.

Leone & Keeble, Inc. was the general contractor for the Phase II construction and remodel portion of the Garrison Middle School Project for Walla Walla School District. I was very impressed with the professionalism and the management that Leone & Keeble, Inc. provided as the general contractor on this project. Leone & Keeble, Inc. kept to the timelines, completed all work to the bid specifications and made sure the subs performed the work specified in a very positive manner. I personally appreciated the promptness of their response to potential problems, the way they responded to these problems, and the courteous manner in which they always operated. I think this is a direct effect of the ownership (Craig Leone and Paul Keeble), the project manager (Tom Mercer), and the project foreman (Jeff Jensen).

In summary, I would highly recommend Leone & Keeble, Inc. for any general contract construction project. In my judgment they are at the pinnacle of their profession.

Sincerely,

Aron Rausch
Business Manager
