To whom it may concern;

Leone & Keeble, Inc. was the contractor for our recent expansion and renovation project. Throughout the project work, I felt fortunate that we had chosen them for the job.

They were very sensitive to the particular needs of the congregation, extremely easy to work with, cooperative in all phases of the project and went beyond the call of duty to make sure we got the finished product we desired.

Gary Schimmels, Jr., project manager, stayed thoroughly informed on all aspects of planning, worked extremely well with the architect and subcontractors, and had the ability to focus all his energies on the task at hand.

The entire staff enjoyed the on-site superintendent and appreciated how well he kept them informed on a daily basis.

As I re-read this letter, it sounds rather glowing. But that is how we felt about Leone & Keeble's work with us.

Sincerely,

Rev. Richard D. Finch, Senior Pastor
